

# Back Box

86mm\*86mm\*44mm

# P.N:BXBB-W

Back Box, 86mm\*86mm\*44mm, High-impact ,White

## PRODUCT CLASSIFICATION :

● Regional Availability	CHINA
● Portfolio	BEXLINE
● Product Type	Back Box
● Color	White

## General Specifications :

● Mounting	Flush
● Total Ports, quantity	2
● Height	86 mm   3.38 in
● Width	86 mm   3.38 in
● Depth	44 mm   1.77 in
● Material Type	High-impact, flame retardant, thermoplastic
● Packaging quantity	1
● Weight, net	0.068 kg   0.15 lb

## Environmental Specifications :

● Flammability Rating	UL 94 V-0
● Safety Standard	UL   CUL

Durable and high-quality construction, Flame retardant and impact resistant material, Easy cable entry and exit management, Suitable for wall mounting, Compatible with various faceplate sizes, Provides secure termination point for cables, Excellent cable organization and protection, Quick and easy installation, Suitable for data, voice & fiber applications, Ideal for FTTH and structured cabling systems, Corrosion resistant and long service life,

ROHS Compliant

UK-ROHS Compliant
